Welcome to our second scrimmage event of the year! Thank you for taking part in what promises to be a fun preseason event for your teams. We have placed teams in five team pools. With 30 teams we split the event into morning and afternoon waves. Warm-ups must take place prior to the start of the first round of play.

The main clocks will start promptly at 8:00am. Each round will consist of 40 minutes of play and 5 minutes of rest/team time (clock set for 45min).

Coaches can stop play at any time to make line-up changes or instruct. Please be courteous of the the other team and try not to slow things down too much.

Warm-up and game balls will be provided. Please do not bring your own. There will be no officials - Teams/coaches can call the game themselves. There will be no scorekeepers so subs can be made however each teams wishes. Teams can either play traditional matches or use the time to run competition drills.

Coaches can discuss options and make a final decision prior to each round.

Doors will open at 7:00am. Admissions are \$6 and \$3(students). We have wonderful concessions - Please support them.

Coolers and carry-ins ARE NOT permitted. We are looking forward to a beneficial event! Please contact us with questions.
