Tournament Director - Brian Schaefer (920) 216-2550

Welcome to our third scrimmage event of the year! Thank you for taking part in what promises to be a fun preseason event for your teams. Warm-ups must take place prior to the start of the first round of play. The main clocks will start promptly at 9:00am. Each round will consist of 40 minutes of play and 5 minutes of rest/team time (clock set for 45min so please stop play with 5 minutes left on the clock). Coaches can stop play at any time to make line-up changes or instruct. Please be courteous of the the other team and try not to slow things down too much. Warm-up and game balls will be provided. Please do not bring your own. There will be no officials - Teams/coaches can call the game themselves. Teams/Coaches can call the games themselves and can either play traditional matches or use the time to run competition drills. Drills work well for match-ups that include different age levels. Admissions will be charged.
